COMMANDER'S CORNER

There is an old gospel song that says, "It only takes a spark to get a fire growing". The next line says, "and soon all those around can warm up in its' glowing". We have experienced a few sparks this year and I feel that 2017 will be our year to warm up in its' glowing. I have been reminded that fall has arrived and with the arrival of fall comes apple cider, leaf raking, s'mores, pumpkin spice and Halloween, and that's just October. October also kicks off Al's Friday night Fish Fries. We will also see the continuation of the SAL Breakfast of the second Sunday of the month, along with a joint venture with Walgreens to offer flu shots on October 29 from 9 AM to Noon. I continue to discuss goals with the Post Executive Board and they have agreed that we need to continue to look for ways to bring together the membership and the community. Our intentions are to increase the foot traffic at the Post to bring in new potential members to our legion family. It will be up to everyone to identify new potential members and invite them to join. If you are a member of the Auxiliary you can invite some to join one of our other groups. The Department of Missouri will recognize the highest recruiters in several categories and some of the awards come with a cash value. Our internal goal for the Post will be 600 members. We will be able to accomplish this goal by renewing 100% of our previous members as well as recruiting new members. All can be accomplished by continuing to offer great events, program and exciting opportunities we will attract people who want to be part of the fun and excitement. Our Post will also have some great events during the month of November as we will open the Post for more fish fries on the first and third

Friday of the month, and on Friday November 11, the City of Manchester will be serving a free breakfast to the local veterans. Be part of these great events and enjoy your Post. The little bit this year has shown us is further evidence that our work is being noticed, let's continue to grow on our past and build on our future. Stay tuned for more events and opportunities to be part of your Post and enjoy the fun. And with all said, I hope to see you at the Post!

**For God and Country,
Michael D. Beasley
Commander**

ADJUTANT'S CORNER

The first quarter (Jul-Sep) of the legion year, as in the past, has kept our legion family of volunteers busy. In addition to Thursday night Bingo and G.I. Breakfast on the second Sunday of the month, volunteers stepped up to the challenge and collected money at Walmart on July 4th and September 5th. In addition, volunteers worked at the annual Golf Tournament on July 24th, the hottest day of the year, and the Manchester Homecoming on September 9th thru 11th. These events are necessary to maintain the aging post and to support our veterans and fund our charitable programs. Just when volunteers thought the first quarter events had ended, a suggestion was made to host an Ice Cream Social on September 24th in support of Ballwin Police Officer Mike Flamion. This event will show our appreciation to all first responders with 100% of the donations going to Officer Flamion. **The second quarter (Oct-Dec)** calendar has been filled in with several new events and our standard programs of fish fries, bingo, G.I. breakfast, breakfast with Santa and shop with a cop. The new events include Flu shots administered by Walgreens on Saturday October 29, 2016 beginning at 9:00am and a welcome home Vietnam Veteran's event with dinner and entertainment Saturday November 12, 2016. These events continue to require a large group of volunteers. If you would like to volunteer, contact Charlie Penn, 1st Vice Commander or Bob Bell, 2nd Vice Commander.

The Missouri Legion Headquarters at Jefferson City reported our 2015-2016 headcount at 532 or 128% of our goal. The challenge for the 2016-2017 year is to have 100% of our existing member pay their dues by December 30, 2016. As in the past, we encourage all members to pay their dues online at www.mylegion.org or by going to www.legion.org/renew. We have been challenged by our commander to continue to increase our membership. We currently have a roster of 555 active members who can assist in our recruiting campaign. I am confident that with everyone's help our challenge of 600 members can be met or exceeded. I am happy to report that as of September 26, 2016 we have added 33 new members. Please join me in welcoming the following members:

10- New American Legion Members:

Stan Bassim, Bradley Brown, Christopher Cline, Keith Brown, Steve Bryant, Andrew Hendrix, Don Kirlin, Dale Knott, Eric Scott, Frank Remsik.

23- New Transfers:

Members can keep current on post events by logging onto Facebook at www.facebook.com/legionpost208. The Post website contains an invaluable amount of information. I encourage all members to access the website at www.legionpost208.org. Missouri Department of the American Legion in Jefferson City also has a website that can

be accessed at www.missourilegion.org. **Harold Isom, Adjutant**

AUXILIARY NEWS

Manchester Days 2016 was another great year for American Legion Post 208. With a lot of work and great people working it, we succeeded in our goal. Thank you ladies, and of course Al too! An information sheet was left on the table on our August meeting. Veteran’s families need cleaning supplies, baby stuff, Kleenex, liquid hand soap, etc. See the box in the entrance. (No school supplies). If you can, please help out.

In today’s world people at times seem to make statements about another person without making sure their statements are true. If this has ever happened to you, the person making the incorrect statement about you comes & says “I’m sorry for what I said. What is our response? Some would answer ‘That’s OK or forget about it’. How about three little words—‘You are forgiven’. Can you say this & mean it? We are forgiven everyday by our heavenly father for our actions & he does this with no conditions connected. Two things to think about in the future—think before you say something g about another person & when some honestly apologizes to you for something they did—forgive them.

Bud Niebling, Chaplain

COLOR GUARD

Hope everyone had a happy and great 4th of July. Our men did a great job at the Flag Retirement in the hot sun. Our men posted Flags for the installation of officers and in September, Steve Filepek and the men marched in the Manchester Homecoming Parade, good job guys. We are always looking for some more men to help us out. Thanks again to all that help out.

Your Color Guard Captain-Jeffrey Stevens

AMERICANISM

Just when it seems all we have to think about is the presidential election, someone decides to exercise their first amendment right to free speech. Both sides of the decision by an NFL player to not stand during the playing of our national anthem are gearing up for a fight. One might think that anyone who is in the military or has served would be totally against the actions of not standing for the national anthem; however, I have read accounts in the Air Force Times & on the Internet that some military people agree with the decision not to stand as a form of protest. So here we are with- is this a show of disrespect to our country or the opinion of an individual to a situation he is against?

To me I wish he would have used another method to emphasize his deep concerns that he sees in our country. One could say that the country he is showing disrespect to is the same country that allows him to earn a large salary playing a game. Bottom line – this man has every right to voice this opinion in any way he wants. That is guaranteed by our constitution. This is when we all need to keep an open & work out our differences---
TOGETHER!

CHEESE STRATA WITH HAM AND TOMATOES

Preheat oven to 350 degrees.

1 teaspoon plus 1 tablespoons unsalted butter

12 large eggs (you can use Eggbeaters)

1-1/2 cups milk

½ cup heavy cream

Pinch freshly grated nutmeg

Pinch cayenne pepper

1 teaspoon Kosher salt

¼ teaspoon freshly ground black pepper

1 cup diced baked ham

1 cup Oven-Dried tomatoes, chopped (I use sun-dried tomatoes in oil and pat dry and chop)

1 tablespoon minced fresh flat-leaf parsley leaves

1-1/2 teaspoons thinly sliced fresh chives

2 cups shredded extra-sharp cheddar cheese (8 ounces)

1 pound sourdough bread (boule preferred), crust removed and cut into 1-inch cubes

Grease a 3-quart gratin dish or casserole with 1 teaspoon of the butter.

In a large bowl, whisk together the eggs, milk, cream, nutmeg, cayenne, salt, and pepper. Set aside.

In a small bowl, toss together the ham, tomatoes, parsley, and chives.

To make the strata: Scatter ½ cup of the cheese over the bottom of a buttered dish, cover with one-third of the bread, and then half of the tomato mixture. Repeat. Top with a final layer of bread and remaining cheese. Pour the egg mixture over the strata and gently press it down with the back of a large spoon to make sure the top layer is moistened with the custard. Melt the remaining 1 tablespoon of butter and drizzle over the strata. Cover with plastic wrap and refrigerate overnight. Bake the strata, uncovered, until golden brown and slightly puffed, about 45-50 minutes. Let rest 10 minutes before serving. Yield: 6 to 8 servings.

Auxiliary Chaplain's Corner

Autumn Greetings Auxiliary friends and members:

Matthew 10:19, 20 “Do not worry about how you are to speak or what you’re to say for it will not be you who speak but the Spirit of your Father speaking thru you”.

We need to know we are God’s messengers venturing into a world that shuns religion but is desperate for what the “Spirit of our Father has to say. As 2016 rolls on some of us have been able to walk among the “Flags of Valor” on Art Hil. 7,000 American Flags each tagged with a name and photo of a U.S. Service member who bravely served our country and gave “**Their All**” but never came home. Also in remembrance of those lost on 9/11 a single flag with 2,996 victims’ names was placed on top of Art Hill. In September the National POW/MIA recognition Day (9/16/2016) ceremony was held at the POW/MIA museum in Jefferson Barracks, which included the formal deactivation of the Missouri Department of American Ex-Prisoners of War. On Veterans Day this year 11/11/2016 let us pray for the over 85,000 still Missing in Action along with our Veterans, active Military and their families around the world. Let us ask ourselves “What are we doing for God and others with all that we are and have received. We all have so many gifts, attributes and talents to share. In Jesus’ time one talent was the equivalent of about 80 pounds of silver which translated into about 20 years of wages. God isn’t looking for risky big time investments. All He is looking for is a response. Our Heavenly Father is generous He pours out the “currency” of His grace and life in us. He loves all so much he wants us to go out and show that love to others. We are all so fortunate to be a part of the American Legion Family in 2016 at Post and Unit 208. Happy October; Happy Thanksgiving and have the Best Birthday of the Year December 25th Christmas Day.

For God and Country -----Amen

Muriel Christman Chaplain for the 10th District, Unit 208 and the 8 and 40.

We have not investigated all the site can do for you our members, and for visitors. Please visit and click on the links you will find there. Some pages still have instructions for us on how to set them up. If you can help with the information that should go on any page, or with what you would like to see on a page, please send an email message to me at websupport@legionpost208.org. I will seek the information you suggest and get it on the web site if possible. Finally, if you feel there should be a link on the left for an additional subject, let me know as well. Charlie and I stopped by the Police Department to present them with a check for the event proceeds. Our Ice Cream Social and Silent Auction were very successful

in collecting donations for Ballwin Officer Mike Flamion who was seriously injured in July. We owe our success to the community for coming out and supporting our fundraiser and for the many, many volunteers who helped before, during and after the event. We could not have done this without you!!! Thank you all!!!
