

Join American Legion Post 208 As We Tour Fort Leonard Wood Tuesday, October 4, 2022

We will depart from the **American Legion Post 208 located at: 225 Old Sulphur Spring Road, Manchester MO 63021 at 7:30 a.m.** Fort Leonard Wood is the home of the U.S. Army Maneuver Support Center of Excellence. This is the place where all Chemical, Engineer and Military Police Soldiers, plus many Marines, Airmen, Sailors, Coast Guardsmen and International Students from allied nations receive training.

We will arrive by 10:15a.m. to enjoy the **John B. Mahaffey Army Museum Complex offering:** Maps and tools dating to the Revolutionary War; Military Police Museum, housing items from the U.S. frontier army post life to Iraq War and Chemical Corps Museum which, documents the effects of chemical warfare, covering the last nine centuries.

Next, on our schedule will be lunch at **Coltan's Steak House.** Our menu: *Salad, 6 ounce Sirloin Steak, Baked Potato, Beverage and Bread Pudding for Dessert.*

Following lunch, we will go back to the base, where we will pick up our soldier/guide and enjoy a **Windshield tour of the largest military training installation.** Sites to see: *Main Post Headquarters Memorial, Garlington House, Soldiers Park and more.* We have also requested that our group can have the opportunity to view a training session of a sort while on base.
